PROFESSIONAL SUMMARY

Strategic Design Management student (Atlas SkillTech University, CGPA 8.45/10) turning research and systems thinking into frameworks, brand strategy and people-centric solutions across live client and industry work. Inside LVMH certified, with a track record leading cross-functional teams and large-scale events, including MUNzil (300+ delegates).

PROFESSIONAL EXPERIENCE

GOVERNMENT OF MAHARASHTRA — *Team Lead, CSR Summit* 2025

- Led a cross-functional team across strategic communications, stakeholder coordination, creative and digital marketing, coordinating multiple workstreams for smooth, end-to-end event execution.

ADBHOOT CREATIVES — *Brand Strategist Intern* Aug 2025 – Nov 2025

- Conducted market research, competitor analysis and consumer insight research to support brand strategy for clients including CottonKing, JGP Jewellery and Nuvama Private; developed pitch decks and communication frameworks with founders and creative teams.
- Supported recruitment efforts and assisted as Assistant Director on an advertising film production.

GN AUTONATION / MAHINDRA — *Events & Marketing Intern* May 2023 – Jul 2023

- Supported planning and execution of the Mahindra XUV300 launch and developed offline marketing initiatives, contributing to approximately 15% growth in brand visibility and engagement.

SELECTED PROJECTS

Pressure-Alignment Triangle (PAT) + Refuge — *Systems Thinking & Innovation*

- Developed the PAT framework to examine how external pressure affects company direction, team and individual states; translated it into Refuge, a strategy game on resource scarcity and crisis management, and facilitated a cross-industry workshop to apply it.

Liquid Communication LLP — *Business Design, Live Client Project*

- Designed a recruitment decision-support portal in Figma with a candidate dashboard (profiles, pipeline stages, role-fit scores); used research and How Might We framing to address company-ethos communication and new-employee guidance.

Artificial Jewellery Durability Extension Pen — *Product Innovation*

- Designed a product concept to extend the durability of artificial jewellery; patent application filed and still a work in progress toward full patenting.

LEADERSHIP & CAMPUS EXPERIENCE

Rotaract Club of ATLAS — *Board of Director*

- Contributed to FLEE FLEA, SAATHI and MUNzil, supporting event planning, coordination and execution.
- MUNzil: Head / Secretary General; organised and chaired a Model UN conference with 300+ participants and 16 judges.
- FLEE FLEA: Supported a two-day event featuring small businesses, stalls and performances, attracting 500+ attendees.
